DATE: JULY 24, 2006.

P.C.:-

By this petition, the petitioner prays for a direction to the respondents to issue transport pass to enable it to transport the only mineral ore already escavated from the site to appropriate place. Affidavit has been filed by the petitioner undertaking that the petitioner shall only transport the ore and will not undertake escavation at the site. The petitioner also prays for 60 days time, within which it will transport the ore to the appropriate place.

In our opinion, this petition can be conveniently disposed of by directing the respondents to issue transport pass for transport of only ore and permit transit operation for a period of 60 days from the date of grant of appropriate pass/ order.

Petition is accordingly disposed of.
